

Longleaf Landscape Stewardship Fund Resource Documents

The Longleaf Landscape Stewardship Fund (Fund) seeks to support strategic objectives that align with NFWF's Business Plan: Longleaf Forests and Rivers, the America's Longleaf Restoration Initiative (ALRI) Range-wide Plan for Longleaf Conservation and several other conservation plans and agency and funder priorities. Below are links to existing restoration/conservation plans, technical resource documents and programs that align with the priorities of the Fund and contributing funders. This list is not exhaustive, and applicants are encouraged to reference other plans and resources that demonstrate the strategic importance and need for their project.
